The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Beech Grove water storage tank addition for fiscal year 2024. The entity to receive funding for this project is the Beech Grove Water Association and is located at 445 HWY 56 North, Calhoun, KY 42327. This project will allow the Beech Grove Water Association to satisfy the requirements placed on them by the PSC in 2010. The Beech Grove Water Association is a small rural water system in McLean County that is not able to fund a project of this capacity. These funds will go to correct an issue they have been facing for over thirteen years and will provide better water service to their 600 customers.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et. Seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Brett Guthrie
Member of Congress
